AUTHORIZATION AND AGREEMENT FOR SALARY REDUCTION

I elect to have my gross salary from Western Michigan University reduced for the contributions indicated above. I agree that I am solely responsible for determining that the amount of salary reduction listed above does not exceed 75% of includible compensation (waived if retiring) and is subject to any and all requirements, restrictions, and limitations that normally apply. Western Michigan University will provide, upon written request, any available information from their records which is necessary to enable me to make these tax determinations.

I agree that I am solely responsible for the gains and losses resulting from my investment decisions.

I understand that this is a legally binding agreement and will continue until I have reached one of the limits on contributions imposed by the Internal Revenue Code (described in the paragraph above) or the date on which I terminate this agreement, whichever occurs first. The effective date of this agreement is the date the agreement is received by the Department of Human Resources. Pursuant to this agreement, my salary reduction will begin the first full two-week pay period following the effective date of this agreement, or if the agreement is signed for the following calendar year, the first full two-week pay period with a pay date that occurs on or after January 1 of the year following the effective date of this agreement. I understand that I will be allowed to sign four salary reduction agreements per calendar year.
